1987'de İsmail Uslu'nun İstanbul'da temelini attığı hikayemiz, Düzce'de yer alan tam entegre tesisle üretimde 40. yıla doğru emin adımlarla ilerliyor.

Our story, which was founded by İsmail Uslu in İstanbul in 1987, is moving forward with firm steps towards our 40th year of production with our fully integrated facility in Düzce.

Bizi bu günlere getiren başarının temelini ; insan kaynaklarına verdiğimiz değer, kalite standardına olan bağlılığımız ve kusursuzu hedeflememiz olduğunu biliyoruz.

We know that the foundation of the success that has brought us to these days is the value we give to human resources, our commitment to quality standards and our aim for perfection.

Cisa'nın güvenle değmediği banyo ve mutfak kalmayana dek devam edecek olan bu yolculuğa eşlik etmek için sizi hikayemize ortak olmaya davet ediyoruz.

We invite you to be a part of our story to accompany this journey that will continue until there is no bathroom or kitchen that Cisa has not safely touched.

Vizyon

Vizyonumuz, insan sağlığına zarar vermeyen, çevre dostu, modern, kullanışlı ve %100 yerli musluklar üreterek ; bir dünya markası olup, yenilikçi, rasyonel, ilkeli ve sorumlu bir iş yaklaşımıyla sektörde lider olmaktır.
